THIS GROUP IS MEANT TO SERVE AS A PROFESSIONAL NETWORK OF COMEA.

Do you have time and talent? Would you would be willing to help our administrative staff serve the homeless? COMEA is a local shelter, (non-profit) with a small staff working together to accomplish big things. We would love to have a team that would offer professional advice, and services as needed. Nothing is required, we just hope to develop a list of “Friends” who we can call if we have a question or need help accomplishing a goal. There will be an initial event in September that would allow us to meet and talk about the future of this group. COMEA is looking for a diverse group of friends so whether you do landscaping, you’re a doctor, a realtor, or work in marketing. We want to develop connections from all areas of the community! If you are willing to devote your knowledge to a good cause, we are looking for you!

This is strictly for people who want to donate their time and expertise! If you’re interested please e-mail me a small summary of your knowledge and current profession at development@comeashelter.org.

If you have any questions please contact Becca Seufer the Development Associate at 307-632-3174!

You will not be required to attend any meetings.

You can attend at your convenience!

We will call you if we have a question that you may be able to assist with!
